“ Ms. Davis was my Kindergarten teacher, one of my favorite teachers EVER. She was very kind to me, every child needs a teacher like Ms. Davis, I can still remember what it was like being in her class. She also made the best hamburgers when she was working at the Wes t go at the end of town back in the mid 00's. I find it crazy that I stumbled on her obituary exactly a year later, but my deepest condolences to the family as they are great people. Monnie, was my mentor back in elementary school for several years. She's teaching children in God's kingdom now and it's a blessing to know little angels have such a great Angel teaching

“ Me. Davis had a sweet smile, an infectious laugh and a busy life. She was a wonderful first grade teacher and has come to most , if not all, of the Blizzard Class of 81 Reunions. We pray for he Family during his time.
