“ I was once the little girl with braided hair, learning to read in my great grandma's home. But I just called her Grandma. Her love of reading was passed down to my Mom, her sister, my cousins, my brothers, and myself. Her love of Elvis was passed down as well. I was listening to Jail House Rock and wanted to see if I could find photos of my Grandma as a young adult as I prepare to turn 19. She was a wonderful teacher, both to her students, her grandchildren, and her great grandchildren. I love you, Grandma. Thank you so much for my love of books, old music, and old homes where every room feels welcoming. - Megan Lasly

“ I am so sorry for your loss. Mrs. Everett was a very special person to me and I am going to miss her. She was a good teacher and she helped me out all the time when I was in school. When she see me downtown, she always gives me a hug and always a smile on her face. Dear Heavenly Father who art thou in Heaven, please comfort the Family of Barbara Everett. Please wrap your loving arms around them and let them know that you will be there in their hearts. Dear Heavenly Father, please greet her with open arms into your Holy Kingdom of Restful Peace. In Your Holy Name. Amen.
