“ *Such a beautiful, sweet person who genuinely loved and adored her family as they do her...I am sure she is happy now that she can see her other children and grandchildren and family and when the time comes, she will be waiting with open arms to see the rest of you, as well...She knows how very much she was loved and that is what matters most in times like these...I know it will be hard not having her here with you, but some day, you will see one another again..Just remember that smile as she will remember yours....Such a pretty, sweet lady.....*

“ Barbara Helen was a very intelligent person and always ready to visit and lend a helping hand. A Godly woman I have known and admired since I was twelve years old. Since she was Gladys’ big sister and I saw her often. Sending my sincere condolences to all the family.
