“ *Oh such a dear sweet lady, my 2yr old granddaughter would always have to tell her bye with a kiss on the cheek and a hug. Cleo always said she was waiting on her mama and daddy to come get her while waiting close to the door of the Winters Nursing Home. We will miss her, but she is not waiting anymore. Hugs to Ronald and All the family. Kelly & Sawyer*

*Cleo took care of me when I was a baby and my parents were working at a store on Saturdays. We lived in the Pumphrey community. My family moved away when I was four, but we went back to visit her family, and I continued to visit her and Ronald over the years. I loved her dearly.*
