“ *Debbie was a wonderful friend and co-worker. Our friendship really began in 1999 and grew over the years. We travelled together and she always brought out the best in me- I appreciated her brutal honesty :)
at times- always when I needed to hear it the most. Only true friends can do that for you❤️. I will miss her and my heart is heavy with grief over her health decline and passing. I consider myself lucky to have known her in this life. RIP Debbie and enjoy heavens hiking trails. One day I'll try and join you. Jackie*
