“ Eddie Westbrook, One of My Best Friends: Eddie was good at everything he did. We will miss him. There are so many memories of the good times we had: fished, hunted, and collected telephone insulators. I could write a book about Eddie and it would be a best seller. I hope Heaven furnishes knee-high boots because it is going to get deep when we all meet again. Miss you. We loved Eddie.

Bill thank you for the kind words about Dad. Dad hadn't been able to do much for a while but he sure enjoyed telling stories and you came up a few times. He had a good full life. I would say it would make for an adventurous book.
