“ She will be missed. We didn’t talk often enough but so enjoyed our conversations when we did! So happy we got to see her a few months ago. She always thought of Taylor and would send her a nice note with a puzzle. We love you Aunt Eloise you’ll be forever in our hearts❤️

“ I am so sad to hear this. We were sewing buddies and she got me collecting buttons. I have several quilted pieces she made me and a framed piece she made me full of pearl buttons. When we lived in Lake Jackson, she and Earnest drove down and stayed several days. we had a blast going to the beach, visiting Galveston and and shopping. Afterwards she cross stitched a picture of shells for me. She and Earnest were on Texas Country Reporter when they did a story on Ms. Opal's in Bradshaw. They interviewed Eloise. She and Earnest were special people. She will be missed.

“ Eloise was such a sweet lady and mentor. I was one of the 400+ brides she honored by making a garter for my wedding. After Paul and I married, I was at her home and admired her cross stitch projects. She immediately "hooked" me and taught me how. She was so very particular that the back of hers looked almost as good as the front. And that's what she taught me - to be very particular and precise. I cross stitched for several years after that until having little ones took more of my time and cross stitching took a back seat. I think I will finish the last project I started in her honor.

“ *Carolyn, Barbara, & Bubba, what a sweet mom. I remember so many fun times we had in our neighborhood on Rose Lane. Peanut butter sandwiches, cool-aid, and all the games we played. Such a wonderful beginning to our lives and the tribute to our moms for instilling friendships. Prayers for peace and comfort to each of you during this time. How fortunate you are to have had her for this long. Brenda Blackerby Hiler.*
