

Geraldine Kitchen

June 12, 2023

Geraldine Catalla Kitchen was born on April 9, 1968 in the Philippines to Miriam Sheppard and was fathered by Ross Sheppard and Daniel Loya. For several years, she worked at Dry Manufacturing Company before dedicating the remainder of her career to serving and caring for others as a devoted CNA.

She enjoyed listening to music, dancing, and watching her Buffy, Angel, and Vampire Diaries series, as well as her Korean dramas. She had a passion for reading romance novels, non-fiction books, and cooking enough food to feed an army. What she loved most was spending time with her family, especially her grandbabies.

She is survived by her mother Miriam; her children Catalla, Stefan, and Ruel; along with her grandchildren Alyzae, Dezmund, Serenity, Brycen, and Jacquelyn; as well as many close friends whom she considered family.

As we mourn the passing of this astounding woman, we are all comforted in knowing she touched so many lives and made the world a better place. Her spirit and impact will never be forgotten but rest on the knowledge that God received one of his most beautiful of angels on June 12, 2023.

“ G.G. was one of the kindest people I've ever known, unless you messed with her family or anyone she considered family. She was the true Super Mom, full of energy and compassion. We trusted each other with looking after our kids and tag teamed dentist visits for them and even shared a Thanksgiving meal together. We will miss your sense of humor and laughter and just your perspective on issues. But you instilled so much of your good qualities in your kids that we will remember you well. Heaven gained a fantastic cook and I know you will be watching over your family. May you rest in peace my friend, one day we will have a reunion and what a day that will be. I will keep to my promise of looking out for your kids as best I can and I know you will be praying for us all.
