“ Aunt Ruth was definitely a favorite, so many great times and memories with her as a child. I truly believe she helped mold my work ethic. She showed me how to work hard as I went on many early mornings with her and Uncle BD to put rubber bands on papers while they threw them to everyone in town. God has removed her pain and I am delighted in that. My heart goes out to Archie, Byron and Carey and families as this is such a difficult time to endure. Love you all. Barbara Henderson Leech
