

## Justin Dane Laird

April 28, 1986 - May 4, 2024

Justin Dane Laird entered into eternal life suddenly and unexpectedly on Saturday, May 4, 2024. He was born on April 28, 1986 to Harvey Dane Laird and Jeanene Hoppe Laird in San Angelo, TX. A member of the Winters High School Class of 2004, Justin was full of life, always with a grin on his face and a kind word to share.

His life's journey was full of adventure-never a dull moment. Being raised on a farm, he got his first taste of cattle, sheep, goats, and horses. From show lambs and goats in high school, to day work on horseback, to cattle hauling and driving heavy equipment. He was always ready to try something new. He spent a few years pipelining and saw some interesting country in Oklahoma, Pennsylvania, Ohio, Virginia, and the Carolinas, but he always managed to find his way back to Texas, sharing the stories of people he met, food he ate, and the country he's seen. He reveled in the marvels of "God's country" as his Pa used to say.

Justin was a friend to many, but he was a part of a family, the community of Winters and he never forgot where he came from. His greatest accomplishment was Hadley Breanne and never failed to show her how much he loved her.

He was met at Heaven's Gates by infant daughter, Paisley Antilley-Laird,

maternal grandparents, Calvin and Mamie Gene (Gerhart) Hoppe, paternal grandfather, Bill Laird, and paternal grandmother Jo McCartney.

Left to carry on his legacy is his mother, Jeanene Hoppe Laird, father, Harvey Dane Laird, sister, Ashley (Brandon) Drake, brother, Jason Laird, daughter, Hadley Laird, nephews, Hudson and Hayes Drake.

The family will receive friends at 6:00 p.m. Wednesday, May 8, 2024 at Winters Funeral Home. Funeral services will be held at 10:00 a.m. Thursday, May 9, 2024 at St. John's Lutheran Church with burial following at St. John's Lutheran Cemetery.

The family would like to express their gratitude to the members of the Winters Volunteer Fire Department, Runnels County Sheriff's office, and the North Runnels EMS staff.
