“ *My deepest sympathy to the family at the loss of Odilia. Heaven has gained an angel. I worked with Odilla at the Winters Nursing Home on several different occasions and a better CNA could not be found. She was so gentle, kind, so caring to all her residents. She never rushed them, often sang to them and whenever her residents became ill or were on their last leg of this earthly journey she would pray over them and comfort them. She was a special special servant of God. Lupe I am so so sorry! I will never ever forget her!*

Odilia is full of surprises! I had no idea she was so talented. She was always so friendly, and had a smile on her face. I will truly miss her
