“ Pat will be missed by many. She was such a thoughtful lady. My parents, Rogers and Pat Dennis, were her neighbors until their passing. Fulton Street will not be the same without Pat. We will keep this family in our prayers.

“ My family has known Pat and her family since I was a little girl. My grandparents (Fred and Gladys Helmke) were neighbors for years on Fulton street. I enjoyed visiting with her when I would come back to Texas to visit and she was a dear friend to my Mom Karen. To Doug, Robert and Douglas and family, we are thinking of you. When I think of Pat I think of a really good person who loved her family more than anything! She will be greatly missed!
