A loving mother to so many, a one of a kind sister, devoted grandmother, and an amazing and caring wife. A sweet angel here on earth who always put everyone else before herself, she was so strong for so many. She was so tired and needed back in heaven to continue to take care of us from above. She is at peace and with her daughter, mother and father. There aren't enough oceans or beautiful rivers to hold our tears but we are trying to be as strong as you. We love you. Good night, sweet dreams and God bless you. Love you to

the moon and back forever and ever.
