Chris, I am so sorry for your loss...I truly did not know Rhonda had even been ill ...Having just lost Eddy as well on may 17th, I can better understand many of the emotions you have to be going through now...You made sure Eddy had tires on my car that would make it safer to come pick me up after a long illness in March-June of 2020...I truly appreciate you having been there for him and me, as well... You are an amazing person, wonderful parent, very caring and compassionate, truly loves God and I have to believe both of them are in Amazing hands now...
