

Dorie Hord

November 24, 1955 - July 19, 2021

Dorie Hord, 65, of Brownwood passed away Monday, July 19, 2021. She was born November 24, 1955 in Winters to Elby and Jerrie Miller where she grew up and attended school. She lived and worked in Rankin for 46 years where she raised her children. She had a servant's heart working as an EMT for 12 years and serving as Justice of the Peace in Upton County until her retirement. She moved to Brownwood with her fiancé, Gregg, where she was currently residing.

She leaves behind a very dysfunctional family that she was very proud of, fiancé: Gregg Suzuka; children: Shelbie Rose and husband Will of Midland, Heather Hrabovsky and husband Joshua of Rankin, and Joshua Hord and wife Jennifer of Huntsville; sisters: Jan Moore and husband Greg of Coleman, and Kathy Molina and husband Phillip of Brady; brother: Tommy Miller of Winters; and grandchildren: Bryleigh Macgregor, Bryce Macgregor, Faithlyn Hrabovsky, and Marina Benavides.

Her words of encouragement, wisdom, and comfort kept us in line, taught us the "school of hard knocks" and gave us something to pass down to our children.

Graveside services will be held at 2:00 p.m. Saturday, July 24, 2021 at Lakeview Cemetery under the direction of Winters Funeral Home.

The family requests memorials be made to Kinder Hearts Hospice of Brownwood.

“ I got to know Doris very well when Josh was born. I was one of his nurses at the hospital and later at Dr Frank's office. She was a very devoted and loving mother, her children were the loves of her life.

“ Dorie and I were born within 10 days of each other so grew up together knowing each other's wonderful families. She was always a person who stood out, people would always say “ ask Dorie” when they wanted to know something. I even worked with her father Elby later in life. This day my heart is with her family and I am going focus on remembering the good times with her.
God Bless Her

“ Dorie was a tough gal with a heart of gold. After the wreck close to San Angelo she fought hard to over come her injuries and fear of going to San Angelo. We did several projects together and you couldn't ask for a better coworker. She will be sorely missed but never forgotten

“ On April 13, 2009 right close to lunch time i trekked up the stairs of the Upton county courthouse And stood in a small room between two justice of the peace offices and married my husband. Dorie was the JP that married us. She will forever hold a special place in my heart. Her absence makes us all sad and when I remember that day I will always remember her smile and kindness.
